*Looking forward to seeing you . . .*

George Garvin Brown,  
owner of Sutherland Farms.

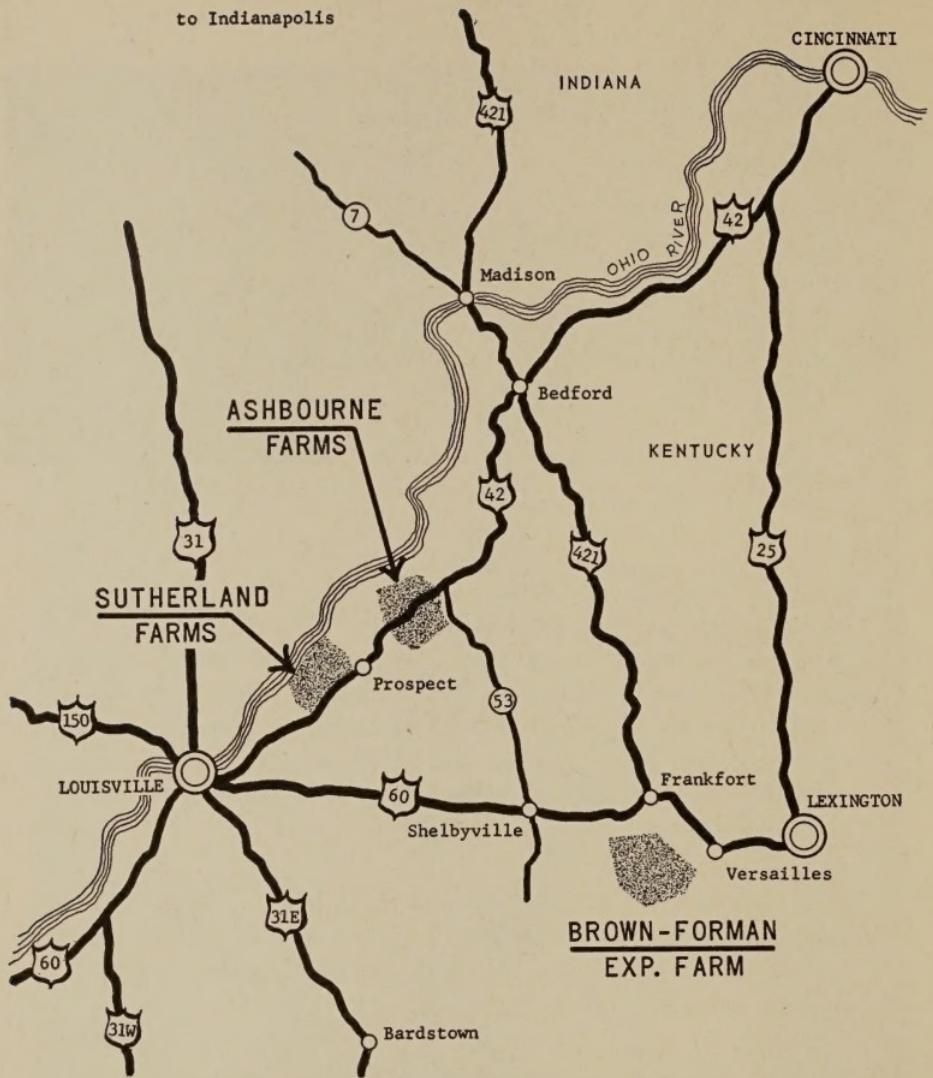

It is with pleasure that we look forward to having you as our guests on the occasion of the Sixth "Browns of Kentucky" Sale. In the past, these events have provided a means whereby Shorthorn breeders from all sections of North America could join friends old and new. We are proud of the contribution these cattle have made in spreading the influence of better Shorthorns over a wide area.

The production of improved livestock is, in itself, a challenge to us all. In our case it is made even more enjoyable, because all the members of our family, and many of our close associates and friends, participate with us.

Many years of effort, many outstanding "Browns of Kentucky" animals of the past, stand behind the cattle we will present on October 3. We are certain you will agree, it is the finest group we have ever exposed for sale.

The three herds are in a modified accredited TB free area and none have ever had a reactor. Calfohood vaccination for Brucellosis is practiced by all three herds.

Visit the farms anytime. You are cordially invited to visit any of the herds, whenever you have the opportunity.

Early Times. Reserve Grand Champion steer over all breeds, 1958 Kentucky State Fair. Sire, Kair Martinet.

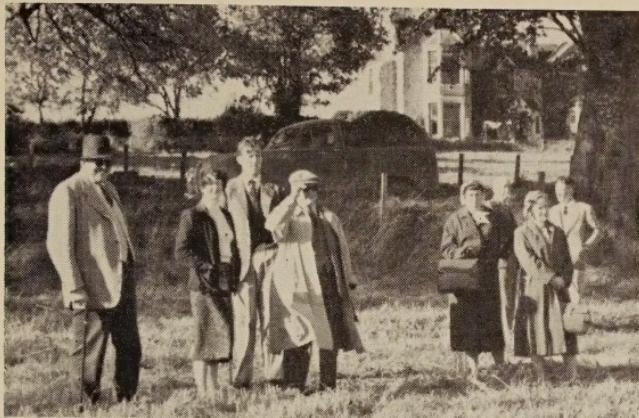

We try never to lose sight of the end use of our product. Practically every sire ever used in the herds has been proved through the channels of top steer show winnings. We believe it a valuable tool to our own appraisal of a sire's worth . . . and we believe it important for the breed that leading herds fit a top steer every year.

B F Speedy. Grand Champion steer over all breeds, 1953 Kentucky State Fair. Sire, Sal-toun Royal Aristocrat.

Gavin Brown and Sutherland All-Steak. Grand champion Shorthorn, Grand Champion junior yearling over all breeds, 1950 International. Sire, Hickories Ransom 9th.

Looking over the cattle at Calrossie are, left to right, W. L. Lyons Brown, Mr. and Mrs. Donald MacGillivray, S. G. Bennett, Mrs. James King, Mr. Horn, Mrs. Wallace Campbell, and Willie MacGillivray.

## It Was A Great Trip To Scotland

In 1956 members of the Brown organization had the pleasure of visiting many of the great herds of Scotland. The result was one of the strongest importations of females ever to leave the old country.

The 1959 "Browns of Kentucky" sale offering will show the influence of these purchases. The service of the popular young stock bull, Ashbourne Bank Balance, will be a feature of this sale. His first son will also be sold, along with several of other animals that came in dam from this importation.

These cattle were not all brought to America in one shipment. There were several transactions. Two young imported-in-dam bulls are now under consideration for herd duty. One is by Calrossie Christmas Carol by the Perth champion, Calrossie Paramount. His dam is by the 10,100 gns. Calrossie Claymore. The other is by Glamis Pioneer, Perth reserve champion. The dam of that calf is by Burnton Bankbook, Perth champion, and sire of Ashbourne Bank Balance.

Lord Lovat identifies some of his bull prospects. From the famous Beaufort herd the Browns stock bull, Ashbourne Bank Balance, came in dam.

On sale day the cattle will be shown out-of-doors for the best possible inspection.

For generations the Shorthorn breed has been strengthened through the work of leaders in other industries who have chosen the production of better seed stock as their avocation. We are fortunate to be able to make use of their abilities. No two men have applied more energy and enthusiasm to this task than Lyons and Garvin Brown.

The Browns can look back over the years at such sires as the twice International Reserve Grand Champion, Sni-A-Bar Randolph, Prince William 15th, the Perth Champion Drummondreach Advocate, Saltoun Royal Aristocrat, to mention just a few. They can also point to countless winnings in the major showings, including such important awards as the coveted get-of-sire at the International.

Such things are of importance to a buyer looking into the background of the cattle he may select. Even more important is the status of the herds today. Never were they stronger . . . never have they been headed by more powerful sires . . . and never have the owners dug more deeply into their fine herds to provide the public with a better group of cattle than will be found in this year's offering.

*Hal Longley*  
The Shorthorn World

Sni-A-Bar Randolph, twice an International Reserve Grand Champion. Sire of many outstanding cattle, including the first get-of-sire, 1952 International, the first junior get-of-sire, 1951 International. Used in the Browns' herds for ten years.

**The Past....**

**Is Important To Your FUTURE**

Prince William  
15th. Former herd  
sire. Grand champion,  
Ohio, Indiana,  
Kentucky state  
fairs, and the Eastern  
National.

Ashbourne Bank Mercury. First prize senior yearling, 1951 International. Grand champion, 1951 Ohio State Fair. This son of Sni-A-Bar Randolph was used in the herds.

Ashbourne Top Mercury. First junior bull calf, member first prize junior get, first pair of calves, 1951 International. Sold in our 1952 sale for \$5,100 to E C Teague, Marshall, North Carolina.

Ashbourne Defender. This son of Saltoun Royal Aristocrat was retained for herd duty and later sold at private treaty for \$2,500. He is out of Saltoun Ann Broadhooks, also the dam of the \$2,100 top female of the 1954 sale. Several sons and daughters of Ashbourne Defender sell in this sale.

**Part of the  
"BROWNS OF  
KENTUCKY"  
Heritage . . .**

This trio of outstanding individuals, all by Sni-A-Bar Randolph, won the first prize junior get-of-sire, 1951 International, National Shorthorn Show, Indiana and Kentucky State Fairs.

Left, the \$7,000 Saltoun Royal Aristocrat. An imported sire that made a great contribution to the herd.

The 1953 Perth Supreme Champion, Drummondreach Advocate. Used in the herds until his recent death. Much of his blood is present in this sale offering.

# THE CLUB CALF SALE

**Starts at 10:00 a.m.**

Edward Meyer, Rushville, Indiana, with his steer that was the Interbreed Grand Champion, Gold Medal Classes, 1958 Indiana State Fair. This steer was also the Reserve Grand Champion of the entire Junior Division, 473 steers, competing.

Sired by the Meyer herd sire, purchased in the 1955 "Browns of Kentucky" Sale . . . Ashbourne Advocate by Drummondreach Advocate.

The dam was also purchased here . . . a daughter of Ashbourne Randolph by Sni-A-Bar Randolph.

An important feature of each "Browns of Kentucky" Sale, has been the club calf sale. Quality has always been high, yet the calves have sold at prices that have left plenty of room for profit for the boys and girls who have purchased them.

Twenty top calves produced on the various Brown farms have been selected carefully for this event. They look to us like the kind that can win.

**ASHBOURNE TRUST FUND** — The University of Kentucky evaluation team classified him as the best bull calf between 4 and 8 months on the farm, when they were here in August. He is the first son of Ashbourne Bank Balance, and we want to sell him only to put the spotlight on his sire. If his sire were not going strong, he would not be offered under any conditions. **ASHBOURNE CLIPPER 17TH** — A daughter of Saltoun Royal Aristocrat. Out of a beautiful daughter of Crichton Drambuie, former Aberfeldy sire. A thick, deep-bodied heifer with plenty of bone and a good head. This heifer could improve many of the top herds in the country. Sells bred to Almahurst Bandmaster since May 4, 1959. The Aristocrat-Bandmaster cross has proven an excellent nick for us.

**AVENEL ROYAL BEAUTY x** — This cow has been a consistent producer of top polled calves by our horned sires. She was Grand Champion of the 1954 National Polled Congress Sale at Ocala, Florida. We are keeping her 1959 Polled heifer calf in the herd. She will sell mated to Ashbourne Bank Balance. This mating could produce a calf that could write Polled Shorthorn history.

Scene at the 1955 "Browns of Kentucky" sale.

The Browns herds are helping make a great Shorthorn state stronger. Scene above was taken at Ashbourne. Below, Brown-Forman Experimental Farms on the occasion of a Kentucky Shorthorn Association field day.

land.

Glatwyn Royal Ruth 2nd x. Reserve Grand Champion, Harrisburg, 1958. Reserve Junior Champion, Illinois State Fair, 1958. Second at the International, 1958. Sire, the International Grand Champion, Broadway Hallmark. She is typical of the kind Sutherland has been purchasing for the foun-  
dation of their herd.

Marellbar Jilt 10th. She is the dam of Sutherland Origin x, selling in this sale.

Three Sutherland foundation cows. Left to right, Sutherland Alma x by Lynnwood Defiance x; Marellbar Augusta Ora by Phopachy King Charles; and Richwood M. Rothes x by Lynnwood Mainline x.

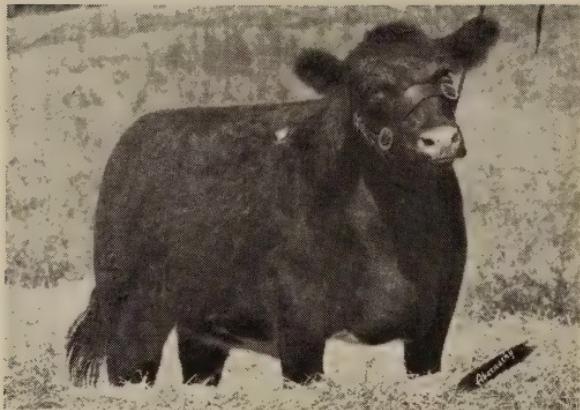

Rarely has a herd been put together with such care, judgement, and with such a determination to breed only the best to the best. The Sutherland herd combines the top females that have been made available for sale in both branches of the breed, with Polled Shorthorn herd sires that are respected throughout the industry.

Even without the purchase of the Eureka herd, formerly owned by Herbert Weber, Edgerton, Ohio, Sutherland was rapidly becoming recognized as a rising star in the Polled ranks. However, the acquisition of the Eureka herd of thirty breeding age females can leave no doubt as to the status of Sutherland Polled Shorthorns today.

Through the inclusion of this draft of nine from Sutherland, Polled Shorthorn breeders will find even more reason to be with us than ever before.

Eureka Secret 17th x. Grand champion female, 1959 National Polled Shorthorn Congress. Sold for \$2,150 to Sutherland Farms. Sutherland has purchased the entire Eureka herd.
